

SUBJECT INFORMATION SHEET

SIS40215 Certificate IV in Fitness (Outside Provider: College of Health and Fitness – RTO 30798)

Description: The Certificate IV in Fitness is a two-year course designed to equip students with the knowledge and skills that reflect the role of personal trainers who train individual or groups of clients, on a one-on-one or group basis, to improve health-related components of fitness in relatively low risk situations. This may include training of older clients and children. They have a substantial depth of knowledge to plan, conduct and evaluate exercise training; provide leadership and guidance to clients and other staff; and deal with unpredictable situations applying defined guidelines and procedures from the fitness industry and the organisation.
