## ENROLMENT PROCESS AND CONDITIONS OF ENTRY

Registration: To place your child on a waiting pool at the College, please submit this form with a non-refundable and non-transferrable registration fee of $110. Registration also requires a copy of the child's birth certificate and, where applicable, a copy of the child's latest two semester school reports and all NAPLAN results. Without the submission of all these documents a registration will not be considered. **Comprehensive and full disclosure of special circumstances, including medical details must be provided at Registration.**

On receipt of the Registration your child's name will then be added to the preferred waiting pool year. Places are offered according to the College Enrolment Policy. Criteria for allocation include date of registration, school reports, outcome of an interview, current siblings and staff members' children at the College, and class gender balance. Completion of this registration does not guarantee an offer of a place. The Enrolment Policy may be varied at any time at the Principal’s discretion.

It is the parent’s responsibility to advise the College of any change of address and to update the registration with school reports, NAPLAN results and any other pertinent information as they arise. Failure to do so may result in cancellation of the child’s registration.

Enrolment: Interviews for intake years (Prep and Year 7) are held 12-18 months prior to commencement. Following the interview, the College may make an offer of a place. Acceptance of an offer, completion of the required documentation and payment of the Enrolment fee will confirm a place at the College. Non-payment of the Enrolment fee will result in a place being forfeited.

The College reserves the right to vary the timing of entry or to refuse entry at its discretion. In circumstances where admission is not granted, any Enrolment fee paid will be refunded. Please note that we may decline to make an offer without providing a reason. The Enrolment fee is non-refundable, whether or not the student starts at the College. The Enrolment fee is not credited towards tuition fees.

Full disclosure of special circumstances of which the College should be aware, must be made, with supporting documentation if applicable (eg. Medical, special talents, special needs, psychological test results, English as a second language etc):

If your child has special needs, please sign below to indicate that you give permission for the College to collect information from your child's previous school and / or specialist personnel, to assist the College in meeting the needs of your child. It is in the best interests of your child to disclose all information.

In accordance with the systems and procedures of the College's Learning Support Department, any provision of learning support upon or after commencement of enrolment will be dependent upon review of the student's case file. Such review will take into consideration information from a range of sources including but not limited to school reports, external assessments (e.g. educational psychometric testing, speech pathology reports), standardised testing (e.g. NAPLAN) and any other information relevant to the student's case. When a student is identified to receive learning support, their case will undergo further reviews at scheduled intervals to determine continuation or cessation of the provision of such support.
