

Hello Musical Families,

Welcome back to Term 2.

We had a great rehearsal on Friday - even though we were missing our Year 6's and we are looking at starting the choreography this week to our dance numbers. It is so important that the children have their lines learnt off by heart, as well as all the lines of the songs within the next week or so, so that we can be really working with the dialogue and putting the songs with dances, rather than having bits of paper in our hands.

There are so many children doing a great job but this term I thought I would send through the names of children that I see really working hard in rehearsals for that week.

I'd love to give special mention to Tilly Charlton, McKenna Gillman, Jess Levenson, Evelyn Montgomery, Matisse Saul, Ally Swanson, Evie Symons and Sophie Turner this week. The girls were switched on great at listening and did everything I asked them to with gusto. Well done!

Of course there are many other children doing the same but with 109 children in the musical, I am just trying to make sure I catch everybody doing something great throughout the term.

Please keep an eye on these emails weekly for any new information or change of rehearsal times or location.

Have a great week.

Warm regards,

Heather
