EVERYONE CAN PARK, WALK OR RIDE

Try leaving the car 500m or more from school and walk or ride the remaining few blocks. It creates a safer school environment, reduced traffic and creates a fun, affordable and healthy way to get to school.

FIVE WAYS TO TRAVEL SMART

PARK, WALK OR RIDE THE REST OF THE WAY

Fewer cars in the school zone makes it safer for you and your friends.

GET ON YOUR BIKE, RIDE TO SCHOOL

Ride safely with a buddy. Remember your helmet!

USE YOUR FEET, WALK TO SCHOOL

You will feel great when you walk to the school gate. Remember your hat!

JUMP ON BOARD, CATCH PUBLIC TRANSPORT

Catch the bus or ride the train. Remember to travel safely with a buddy!

SHARE THE RIDE, CARPOOL

Put a friend by your side. Remember to buckle up!

IMPORTANT TIPS TO STAY SAFE

Children need to develop the knowledge, skills and behaviours to keep themselves safe. Help children to stay safe by:

- obeying the road rules
- travelling with an adult or buddy
- being visible to other road users
- sharing pathways
- learning and practising correct behaviours as a pedestrian, cyclist or passenger
- wearing appropriate clothing and footwear to suit all weather conditions
- encouraging sun safety by wearing appropriate clothing, hat, sunscreen, sunglasses and staying in the shade.

PRACTICE MAKES PERFECT

Before crossing the road, remember the rule – STOP, LOOK, LISTEN and THINK:

- STOP at the kerb
- LOOK right, LOOK left and LOOK right again
- LISTEN for cars approaching
- THINK whether or not it is safe to cross and wait until there is a safe break in traffic and all is clear to cross.

Then keep looking and listening for traffic as you walk straight across the road.

DID YOU KNOW?

Transport related activities are the second largest household expense in Australia.

Up to 20 bikes can fit into one car parking space.

The cost of buying and maintaining a bike is around 1% compared to a car.

Walking 400m can burn 105 kilojoules (25 calories).

A standard bus carries 65 people which is equivalent to 54 motor vehicles (1.2 persons per vehicle).
