

FIRST STAGE – ST ANDREW’S SCENARIO PLANNING

Our Values – WHY we do what we do

We believe in.....

Encouraging Learning
*through our energetic staff,
global perspectives and innovative thinking*

Creating opportunities
*That develop the individual, embed Christ –
like action and promote personal best*

Building connections
*for respectful relationships, community
engagement and service to others*

Our Strategic Intent – WHAT we do

Based on our Christian foundation, we leverage the College’s positive energy and supportive community to enable our students to move confidently into their futures

STRATEGIC OBJECTIVES

We focus on KNOWLEDGE AND LEARNING *through*

- ∞ An ongoing commitment to foundational learning
- ∞ The learning framework embedded across the school
- ∞ Skills for each student to become a lifelong learner
- ∞ Problem-solving capacity developed in students
- ∞ Technologically savvy students but with a balanced perspective
- ∞ Critical thinking capability in students at all levels

We encourage FAITH AND SERVICE *through*

- ∞ A genuine desire among students to help others
- ∞ Every child is encouraged to search for spiritual meaning in their life
- ∞ Students open to and have an understanding of the Christian faith as the means to an abundant life
- ∞ Students acquire an authentic picture of what Christianity in action looks like
- ∞ A broadened global perspective and cultural intelligence among students

We build PERSONAL CAPACITY *through*

- ∞ Students who have vision and the ability to set achievable goals
- ∞ Independent and resilient students who demonstrate persistence and can recover quickly from difficulty, both at school and at home
- ∞ Students who have an understanding of the importance of commitment/accountability
- ∞ Relational and emotional intelligence amongst all students
- ∞ Self-knowledge to make ethical and reasoned decisions
- ∞ Adaptability to cope with change

We develop a strong sense of COMMUNITY CONNECTEDNESS *through*

- ∞ Shared vision and purpose
- ∞ A strong sense of connectedness to the College and each other
- ∞ Seamless connectedness amongst past students, parents and grandparents, from prep to Year 12
- ∞ More partnerships with like-minded organisations
- ∞ Diversified sources of income from community organisations
- ∞ Teachers who encourage connectedness and confidence amongst students
- ∞ An inclusive, welcoming community

We commit to ENVISIONING AND RESOURCING OUR FUTURE *through*

- ∞ Leaders equipped to inspire others
- ∞ Motivated staff who catch the vision
- ∞ Resources and a built environment that is flexible
- ∞ Sustainable practices implemented throughout the College
- ∞ Security and privacy initiatives that addresses the risks associated with advancing technology.
